Sunday School **Rocks!**

Why Sunday School Rocks!?

- **We teach kids the important things in life:** love Jesus, love your neighbor, respect others, tell the truth, do the right thing, read the Bible, and more...
- We teach Bible stories and principles in unique ways so your children will remember them forever!
- Your children will gain new friends with Godly values which will strengthen them as they go through the "peer pressure" years.

How do I sign up? Just show up for morning service!
Sunday mornings: 10 a.m. (services usually go until 11:30 a.m.)
